August 14, 2003

RE: FCC ID: KA2DWLG650PLUS
Attention: Ellis Wu / Stephanie Hung

I have a few comments on this Application.

1. Please note that the manual states that, "End users must follow the specific operating instructions for satisfying RF exposure compliance", yet does not appear to provide these instructions. Please provide the instructions mentioned in the manual.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
