

Description of Permissive Change

Date: 2013 05 15

The application is prepared for FCC class II permissive change by adding DFS band through software enabling to its original parent application.

Both devices, original and updated versions, are electrically identical in all aspects except enabling frequency bands of <5250~5350MHz & 5500~5580MHz & 5660~5700MHz >, disabled the 5600 ~ 5650 MHz band.

A handwritten signature in blue ink, appearing to read 'Hank Chung'.
