Declaration Letter

We, D-Link Corporation, declare that all RF parameters in the U-NII-1 will remain unchanged and the equipment referenced by FCC ID KA2WA180A1 will continue to comply with the new NII rules. A retest is not necessary. The new rules apply the same test procedures, only the limits have changed allowing higher output power and PSD. Since the product complies with the old rules, it will then automatically, therefore, comply with the new rules.

If you have any questions regarding this declaration, please contact us.

A handwritten signature in black ink, appearing to be 'Shinglin Chung', written over a horizontal line.
