

D Link Corporation

17595 Mt. Herrmann, Fountain Valley, California 92708, United States

Date: December 6, 2010

We, D Link Corporation, declare the device of FCC ID: KA2WR510A1, Model Name: DWR-510, doesn't have ad hoc function on "non-US frequencies"; in non-associated mode, that software and associated drivers will not initiate any transmission on DFS frequencies and the device does not support radar detection capability. This includes transmissions for beacon ad-hoc peer-to-peer modes.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely yours,
