

## Description of Permissive Change

The application is prepared for FCC class II permissive change by adding a new model for different LED switch and LED direction. For more detail please refer to as below.

All models are listed as below. (New model is marked in boldface.)

Brand	Model	Difference
D-Link	DXN-W224	Original model
	<b>DXN-W224B1</b>	Different LED direction and has a switch
