Overview

This application is for a change of ID to an existing, approved radio. The radio is currently approved under FCC ID: PD962205ANH and was granted on September 13, 2010 to Intel Corporation. Intel Corporation has granted authorization to General Dynamics Itronix for the ID change. The new FCC ID is KBCIX-62205ANH. The product remains electrically and mechanically identical to the original filing.

Recommendation

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
