Re: Applicant: General Dynamics Itronix, Corporation  
FCC ID: KBCIX-62205ANH  
Part 2.933(b) Change in Identification of Equipment

Dear TCB,

General Dynamics Itronix, Corporation request a change in identification of a currently Certified device under Part 2.933(b). The above referenced FCC Identified device operates under Parts 15B, 15C, DTS and 15E, UNII rules.

The original equipment identification is FCC ID: PD962205ANH.  
The original Grantee: Intel Corporation was granted Single Modular Approval 05/24/2011.

The original test data filed by Intel Corporation continues to be representative of the newly identified device. There are no changes to the hardware or software. The antennas used will comport with the grant note requirement that the antennas must be of similar type with equal or lesser gain.

This change in identification is requested for the newly identified device, FCC ID: KBCIX-62205ANH, which is physically and electrically identical as defined by Part 2.907, to the originally approved module.

Photographs as required under Part 2.933(5) and FCC ID label are submitted with this request.

Please let us know if you might require anything further to assist with your review of this Change in Identification of Equipment.

Best Regards,

Mark Harwood
