Dear Ms. Elliott

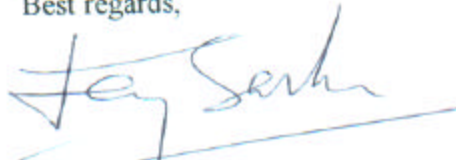

The following item is in response to your e-mail requesting for a revised FCC identifier.

Please note that FCC ID must not be shown in conjunction with other text information on the above text information on the label, but on a single (separate) line. Reference Section 2.925 of the FCC Rules, submit a revised identification label, as appropriate.

Response: Attached please find revised identification label with FCC ID in accordance with FCC format as requested by you and a second label for part 15. Itronix has elected to generate two labels to accommodate required agency information.

Thanking you in advance for your kind cooperation.

Best regards,

Jay Sarkar
