FCC Part 90 Certification
Request for Confidentiality**

Gentlemen:

In accordance with 0.459 of CFR 47, ITRONIX CORPORATION hereby requests confidentiality of the Block Diagrams, Circuit Diagrams & Description, Parts List, Tune-Up Procedure, and Operational Description attachments for the subject application.

These documents contain detailed system and equipment description and related information about the product in which ITRONIX CORPORATION considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, ITRONIX CORPORATION considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

Fred Phillips

FCC Part 90 Certification**

Gentlemen:

The users manual for the Itronix laptop computer IX250 utilizing the RIM 902 radio is not completed at this time. The RF exposure warning statement submitted in this application will be placed at a prominent location in the users manual and supplied with all production units. The manual is currently under construction and should be completed within the next 2 months. A final version of the users manual can be supplied to the FCC if required upon completion.

Sincerely

Fred Phillips
