**Re: Itronix Corporation
FCC ID: KBCIX260PLUSGC82
FCC Part 24(E) - Certification
Request for Confidentiality**

In accordance with 0.457 and 0.459 of CFR 47, Itronix Corporation and Sony Ericsson hereby request confidentiality of the GC82 Block Diagram(s), GC82 Schematic Diagram(s), GC82 Operational Description, GC82 Parts List, GC82 Tune-Up Procedure, and Antenna Specifications exhibits for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Sony Ericsson considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Sony Ericsson considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in blue ink that reads "Fred Phillips".
