**Re: Itronix Corporation

FCC Part 15.247 Certification
Request for Confidentiality**

In accordance with 0.457 and 0.459 of CFR 47, Itronix Corporation and Intel Corporation hereby request confidentiality of the Intel Block Diagram(s), Intel Schematic Diagram(s), and Intel Operational Description exhibits for the subject application.

These documents contain detailed system and equipment description and related information about the product in which Intel Corporation and Itronix Corporation considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Intel Corporation and Itronix Corporation considers that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,

A handwritten signature in blue ink that reads "Fred Phillips".
