Re: Applicant: Itronix, Corporation  
FCC ID: KBCIX600-IWLBT  
Action Requested: Class II Permissive Change for FCC ID: KBCIX600-IWLBT  
to allow co-location within the IX600 Laptop PC with FCC ID: KBCIX600-MC75

TCB Committee,

On behalf of Itronix Corporation we request a Class II Permissive Change to the Certification of the FCC ID: KBCIX600-IWLBT to add the co-located transmitter FCC ID: KBCIX600-MC75, (Siemens, AG. Model: MC75, with GSM, GPRS, EDGE, E-GPRS data capability, WAN).

The embedded co-located transmitter modules within the IX600 rugged laptop PC operate under rule Parts 22H, 24E & 15.

This is the fourth of four Class II Permissive Changes to permit co-location within the host IX600 for possible co-located combinations of the following FCC ID's: KBCIX600-MC75, KBCIX600-IWL, KBCIX600-BT and KBCIX600-IWLBT. The other three permissive change applications are submitted simultaneously with this application.

Please let me know if you should have any questions or require additional information.

Best Regards,

A handwritten signature in blue ink that reads "Rod Munro". The signature is fluid and cursive.

Rod Munro
