To whom it may concern,

In reference to the radio device known as the R800D-15-O, we, the undersigned, hereby certify on behalf of **Research In Motion Limited** that the following statement is true.

"This equipment has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or Commission standards and demonstrate that the equipment complies with the appropriate standards. Each unit manufactured, imported or marketed, as defined in the Commission's regulations, will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on a statistical basis. I further certify that the necessary measurements were made by COM-SERVE CORPORATION, 17 Old Carriage Crt., Kitchener, Ontario, Canada, N2P 1V3, and by RESEARCH IN MOTION LIMITED, 295 Phillip St., Waterloo, Ontario, Canada, N2L 3W8."
