Re: Request to withhold certain documents from routine public inspection under  
      under the provisions of section 0.459 of FCC Rules

Applicant: Sensus Metering Systems  
FCC ID: **KCH520F**  
900MHz DTS RF Module

To whom it may concern,

Request is hereby submitted, on behalf of my client Sensus Metering Systems to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

Block Diagrams  
Schematic  
Operational Description

Rationale for request for confidentiality:

Sensus has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.

If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N. COKENIAS
