Attention: Application Reviewer

Re: Request per sections 0.457 and 0.459 of FCC Rules to withhold portions of a certification application from routine public inspection

Applicant: Sensus Metering Systems
FCC ID: KCHBA0031

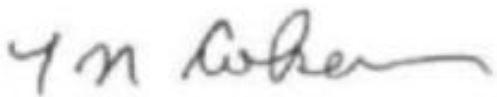

To whom it may concern,

On behalf of my client Sensus Metering Systems, I respectfully request that the following documents be kept confidential indefinitely:

Schematics
Block Diagrams
Theory of operation

Sensus has invested considerable time, money, and effort to develop the product(s) covered by the reference application, and giving competitors access to the documents listed above would give them an unfair competitive advantage when developing similar products.

Sincerely,

THOMAS N COKENIAS
Agent for Sensus Metering Systems
