

Radio Systems[®]

C O R P O R A T I O N

24 August 2011

To whom it may concern:

Radio Systems Corporation has purchased all rights to the products known as Stealth R50 and Stealth T60 from Tracker Oy of Finland. This includes control of the design, manufacture, distribution, and sale of this product. Radio Systems Corporation wishes to bring the FCC and IC approvals under Radio Systems Corporation. Radio Systems Corporation is the responsible party for this product.

For clarification, the original filing information and the requested new identification are provided here:

Stealth T60
