RE: Radio Systems Corporation - Certification Number IC: **2721A-3002638** Additional Model Name Information

Dear Timco:

Please note that the manual supplied with the above referenced certification request is for the entire Pet Training System which is referred to as the PDT00-14016. The manual encompasses both the transmitter and receiver portions of the system. The Model Number for the Transmitter alone is RFA-501, as indicated in the test report and on the IC Application Forms.

The Receiver is assessed under a different test report. The application is for the Stand Alone Transmitter only.

Sincerely,

A handwritten signature in cursive script that reads 'Sandi McEnergy'.
