

Testing Tomorrow's Technology

July 27, 2013

Timco Engineering Inc.
849 NW State Road 45
Newberry, FL 32669

SUBJECT: DoC Approval for Radio Systems Model RFA-500 Receiver
Associated with Model RFA-499 Transmitter, FCC ID: KE3-3002646

Dear Timco,

By signature below, we attest that the receiver associated with the FCC Part 15 Application for the Transmitter model and FCC ID referenced above, has been tested and meets the FCC Part 15 DoC Requirements

A separate DoC Report was issued for the receiver. A copy of the report cover letter is attached.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Sandi McEnergy', written in a reddish-brown ink.

Sandi McEnergy
Agent for Radio Systems
