

**Model Differences**

Date: April 15, 2020

Subject: Model Differences for: FCC ID: KE3-3003643, IC: 2721A-3003643

To Whom it May Concern:

Radio Systems Corporation will be using three different model numbers for the FCC and IC ID Numbers listed above:

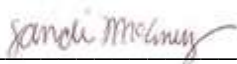

- 1. Model RAC00-16949
- 2. Model RAC00-16952
- 3. Model RAC00-16992

All models are physically and electrically identical. The model designations are added for marketing purposes and also signify whether the transmitter is transmitting a signal to activate the pet collar or a masked signal that will not activate the pet collar.

Models RAC00-16949 & RAC00-16952 transmit signals that activate the pet collar, and Model RAC00-16992 transmits a signal that does not activate the pet collar.

Model RAC00-16952 can be powered by four D cell batteries.

Sincerely,

By:
