

Link USA Compact Fluorescent Lamp User Manual

Notice and Cautions

- A.) This device is not intended for use with emergency exit fixtures or emergency exit lights.
- B.) There are no serviceable parts inside this product. Do not open sealed portion of either the adaptor or lamp. To do so could create a safety hazard. To prevent the risk of fire, or product damage, do not use with dimmers, electronic timers, photocells or touch-style lamps. Do not use in totally enclosed or recessed fixtures. Use indoor and outdoors but not for use in a wet location.
- C.) This product may cause interference with radios, cordless phones, televisions, and remote controls and should not be installed near maritime safety communications equipment or other critical navigation or communication equipment operating between 0.45 – 30 MHz. If interference occurs, move this product away from the device or move to a different outlet.
