

## *Specification of Antenna*

Model No :   HG8201  

Antenna Type :   PCB Antenna  

Length Closed :           N/A          

Length Open :           82.7mm          

Diameter :           1mm          

No. of element :           N/A          

Antenna Gain :   -4.5 dBi  

Total Resistance :           0.58Ω          

Temperature :           -20°C ~ 70°C
