To whom it may concern:

The enclosed documents constitute a formal submittal and application for a Class II Permissive change for a metal detector pursuant to the following rules:

Subpart C of Part 15 of FCC Rules (CFR 47), Intentional Radiators

This C2PC is for a modified device that will be sold in addition to the MXSPORT model, the MX7. The MX7 differs from the MXSPORT as the instrument POD housing is slightly larger and made from a different plastic, the battery housing is slightly larger and the headphone connection on the battery housing is different.

National Technical Systems – Silicon Valley, as duly authorized agent prepared this submittal. A copy of the letter of our appointment as agent is included with the application.

If there are any questions or if further information is needed, please contact National Technical Systems – Silicon Valley for assistance.

Sincerely,

David W. Bare
Chief Engineer
