Test Report  
M33330A FCC C-04

Hello Mike,

It was our mistyping on inputting the cal. date.  
LISN used in final test was calibrated last month.  
Therefore cal. due will be 'Jan. 2005'.  
Please find attached revised test report.

Best regards,  
Akemi Suzuki

Notice\_content

-----  
Question #1: The LISN used during the final compliance testing is out of cal. Please address this ISO Guide 17025 issue.

Best Regards

Mike Kuo

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
