Columbia, MD. 21046

Gentlemen:

Wayne-Dalton Corp. respectfully requests confidentiality of certain materials provided with the submission of the **Torque Master i-Drive Pro** under FCC ID: **KJ8-0001715** in accordance with FCC Regulations 0.459. The confidentiality request applies to the 1) Schematic, 2) Bill of Materials, 3) Detailed Operational Description and, 4) Detailed Block Diagram contained in this filing and exhibits listed below.

07-0186 – Schematics.pdf
07-0186 – Parts List.pdf
07-0186 – Theory of Operation.pdf
07-0186 – System Block Diagram.pdf

The **Torque Master Pro i-Drive** has been developed at considerable effort and expense by Wayne-Dalton Corp. These items are considered as Trade Secrets and, therefore, public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this manner.

Sincerely,

A handwritten signature in black ink, appearing to read "David Ayer", with a long horizontal flourish extending to the right.
