**Overview**

This application is for an original certification, under 47 cfr. 15.209, of the DigiTrak 19.2 kHz underground transmitter, model FXL 19.2. The product is a low frequency magnetic transmitter used underground to guide a drilling head.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

No short term confidentiality requested.

**Recommendation**

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
