Overview

This application is for original certification of a 12 kHz transmitter operating under the rules of Cfr 47 part 15.209. The transmitter, models ECP and FC, are 12 kHz battery powered, magnetic field transmitters located in a drill head. The transmitter is part of an underground, horizontal drilling system, manufactured by Digital Control, Inc. The two models are electrically and mechanically identical. They differ only in color and software not affecting compliance.
