McMurdo Limited
Attn: Steve Roylance
Silver Point
Airport Service Road
Portsmouth PO3 5PB
United Kingdom

Dear Mr. Roylance:

Thank you for your submitted documentation for the McMurdo, Smartfind S5 Automatic Identification System (AIS) Search and Rescue Transponder (SART). Based on the manufacturer's documentation and test results from Bundesamt für Seeschifffahrt und Hydrographie (BSH) and TUV, we are satisfied that the McMurdo, Smartfind S5 AIS SART meets IEC 61097-14. The Smartfind S5 AIS SART is also marketed under the trade names Kannad Marine Safelink AIS SART and Sailor 5051 AIS SART which are identical in all technical aspects. This equipment is not subject to U.S. Coast Guard type-approval per Title 46 CFR subpart 159.005 nor should it be marketed as having received such type-approval.

If you have any further questions please contact Mr. Maurice Ponder (202) 372-1384.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. D. Reynolds".

J. D. REYNOLDS
