Re: Class II Permissive Change for FCC ID: KNY- 1293514195135 / Request  
Modular Authority

We (FreeWave Technologies Inc.) hereby request a Class II Permissive change be granted for Modular Approval on products defined under FCC ID: KNY- 1293514195135. The documentation provided with this request defines the compliance with Section 15.212.

All RF characteristics are electrically identical to the module, which was tested previously and granted approval under FCC ID: KNY- 1293514195135.

The Model Numbers of the devices included in this request are:

LRS-400S-C1,  
LRS-400S-C2,  
LRS-400S-CE1,  
LRS-400S-CE2

Sincerely,

A handwritten signature in black ink that reads "Rich Arment".
