

Re: Certification for Lear Corporation
Internal Antenna Receiver Model: L0101456
External Antenna Receiver Model: L0111925
FCC ID: KOBGR07A
IC: 3521A-R07A

FCC and IC ID LABEL

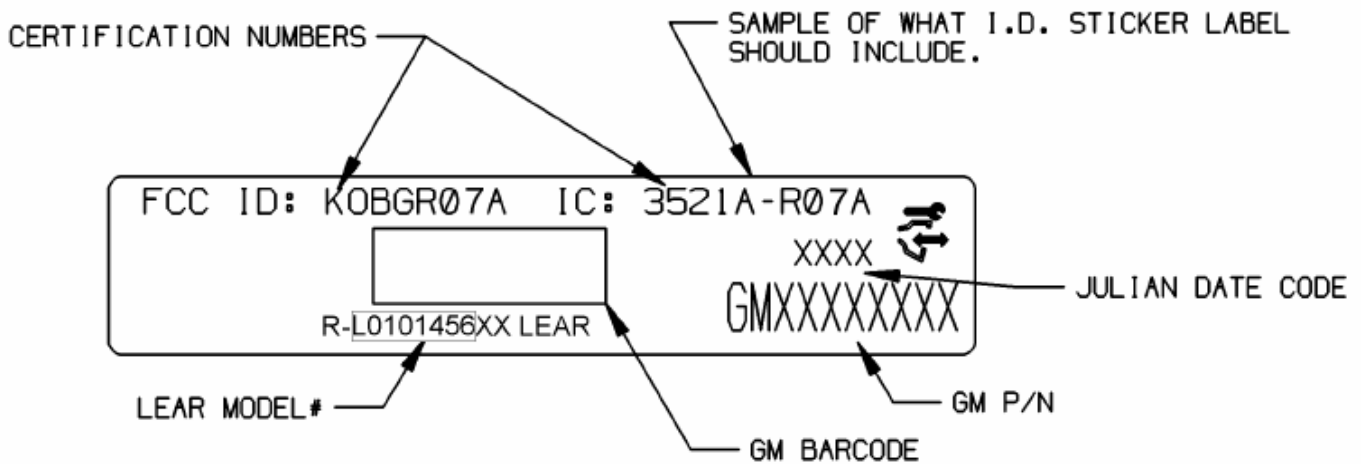

The label shown below will be embossed on the outside on the back of the plastic case of the receiver:

This device complies with Part 15 of the FCC Rules and with RSS-210 of the Industry Canada. Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference, and
- 2) This device must accept any interference received, including interference that may cause undesired operation.

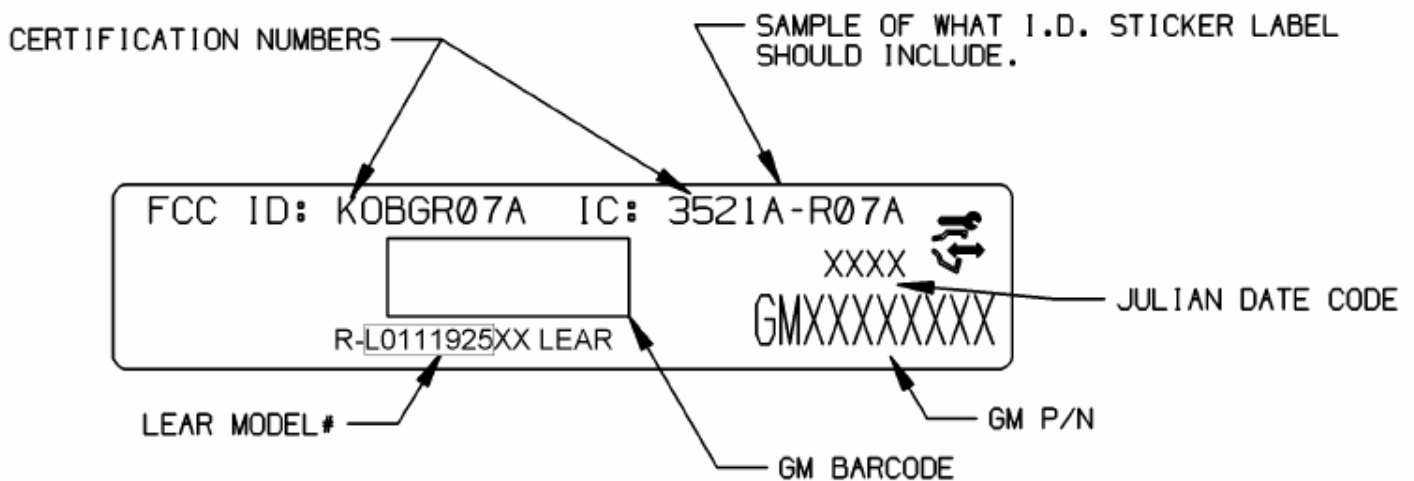

A sticker will be placed below this label.

The sticker for the internal antenna module is shown below:

Re: Certification for Lear Corporation
Internal Antenna Receiver Model: L0101456
External Antenna Receiver Model: L0111925
FCC ID: KOBGR07A
IC: 3521A-R07A

The sticker for the external antenna module is shown below:

FCC and IC Statement

The following statement will be printed in the User's Instruction Manual

This device complies with Part 15 of the FCC Rules and with RSS-210 of the Industry Canada.
Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference, and
- 2) This device must accept any interference received, including interference that may cause undesired operation.

The letter's "IC" have no other meaning or purpose than to identify the Industry Canada certification number/registration number.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
