Re: Certification for Lear Transmitter
 FCC ID: KOBGTE10C
 IC: 3521A-GTE10C

REQUEST FOR CONFIDENTIALITY

Pursuant to FCC 47 CFR 0.457(d) and 0.459 and IC RSP-100, Section 10, Lear requests that a part of the subject application be held confidential. Lear has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.
