Re: Certification for Lear Corporation
TPM Low Frequency Initiator
FCC ID: KOBHL05TPM
IC: 3521A-HL05TPM

FCC and IC ID LABEL and STATEMENT

This document describes the marking of this transmitter device. The FCC ID and IC numbers will be molded into the plastic case of the transmitter.

“ FCC ID: KOBHL05TPM
IC: 3521A-HL05TPM ”

The following statement will be printed in the User’s Instruction Manual

This device complies with Part 15 of the FCC Rules and with RSS-210 of the Industry Canada. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

The letter’s “IC” have no other meaning or purpose than to identify the Industry Canada certification number/registration number.

WARNING: Changes or modifications not expressively approved by the party responsible for compliance could void the user’s authority to operate the equipment.
