Re: Certification for Lear Corporation FCC ID: KOBIXZ19A

## REQUEST FOR CONFIDENTIALITY

Pursuant to USA FCC 47 CFR 0.457(d) and 0.459, Lear Corporation requests that a part of the subject application be held confidential. Lear Corporation has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage achieved by developing this product. Not protecting the details of the design will result in financial hardship.

<u>Exhibit</u>		Conf. Type	Rational
a)	Block Diagram	Permanent	Includes proprietary design information
b)	Schematics	Permanent	Includes proprietary design information
c)	BOM + Placement	Permanent	Includes proprietary design information
d)	Operational/Technical Desc.	Permanent	Includes proprietary design information

**Permanent Confidentiality:** Lear Corporation requests that any exhibits listed above as permanently confidential be permanently withheld from public review.

**Short-Term Confidentiality (FCC Only):** Lear Corporation requests that any exhibits selected above as short term confidential be withheld from public view for a period of days (noted above) from the date of the Grant of Equipment Authorization and prior to marketing.

Sincerely,

Jason Summerford RF Principal Engineer JSummerford@lear.com
