Dear Sir/Madam

Subject: Confidentiality request for FCC id: KQGRMP600

We request confidentiality for the schematic and parts list of KQGRMP600. Files concerned: RMP600-Schem.pdf, RMP600-PartsLst.pdf. We do not request confidentiality for any other exhibits.

We request confidentiality because:

1. The product contains Renishaw intellectual property and is subject to a patent application.
2. We do not want our competitors to see the schematic circuit diagram details.

Yours faithfully

Martin Woollett  
Radio Design Manager  
Machine Tool Division
