FCC NOTICE

WARNING: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.

ANTENNA WARNING

WARNING: This device has been tested with an MMCX connector. This provides the Original Equipment Manufacturer (OEM) with a connection for an internal antenna or an antenna that can be integrated into the case. Any antenna that that may be removed by the end-user must comply with FCC Section 15.203 for unique antenna connectors.

LABELING REQUIREMENTS

WARNING: The Original Equipment Manufacturer (OEM) must ensure that FCC labeling requirements are met. This includes a clearly visible label on the outside of the OEM enclosure specifying the AeroComm FCC identifier for this product as well as the FCC Notice above.

RF EXPOSURE

WARNING: The Original Equipment Manufacturer (OEM) must ensure that a minimum of 20cm spacing between the user and antenna is required for all mobile applications.
