## Authorization Letter for FCC / IC certification

The company 7layers AG has been contracted by Continental Automotive to obtain “FCC and IC certification” for the following electronic component manufactured and/or released by Continental Automotive:

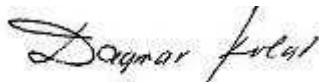

MODEL NAME TIS-01  
FCC ID: **KR5TIS-01**  
IC: **7812D-TIS-01**

The following persons at 7 layers AG will be authorized:

- Berthold Braun
- Alexey Yevdokymov
- Carsten Steinröder

Unless future correspondence from Continental Automotive directs otherwise, please extend your full cooperation to 7 layers regarding matters to the above mentioned products for the period beginning 31 March 2015 through end of the project date.

Thank you.
