DATE CODE

Mr. Steam uses the following convention for date coding their products.

A month code as follows..

January	O
February	P
March	Q
April	R
May	S
June	T
July	U
August	V
September	W
October	X
November	Y
December	Z

Followed by the year as 2 digits. In other words May 2010 would be S10.
If we have 2 shipments in May, then we should add an A, B suffix.
