Federal Communications Commission
Equipment Approval Services
P.O. Box 358315
Pittsburg, PA 15251-5315

Reference: FCC ID: KTFPLB-110

Subject: FCC Certification of Astronics DME 406 MHz PLB, Model PLB-110

To Whom It May Concern:

Astronics DME Corporation hereby requests Federal Communications Commission (FCC) Certification of our Personal Locator Beacon (PLB) Model PLB-110. This application for FCC Certification is made according to Parts 2 and 95 of the FCC Rules and Regulations, specifically 47 CFR § 2.1033(c) and 47 CFR § 95.1402. I certify that the data submitted with this application are true and correct to the best of my knowledge.

Your prompt attention is kindly requested and greatly appreciated. Please do not hesitate to contact me if you have any questions or if additional information is required.

Sincerely,

 5/10/12

Herve Cantave
