Re: phone call 25 February 2008

Stan,
Thanks for talking to me today and clarifying the situation.

I would like to state that I am an authorised personnel to work on this application and that Jennifer Livingstone has asked me to work on this for her.

My e-mail address is peter.gillick2@uk.thalesgroup.com.

I apologize for my slow response, but I had been waiting to make more progress on the waiver.

Yours sincerely,

Peter Gillick
