Figure 1: Placement of Part Label on SDU Front Panel

Figure 1 shows the placement of the part label on a prototype Satellite Data Unit. The artwork in Figures 2 and 3 show the details for the current production version. The label consists of two parts: the main and secondary label. The placement of the secondary label is shown in Figure 2 – being above the caution sign.

Note that the following statement is included in the User Manual but cannot be found on the label:

“This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.”
