Amendment of wrong FCC ID in submitted Application Form 731

December 2, 2008

TO WHOM IT MAY CONCERN

Dear Sir/Madam,

On November 27, 2008 we submitted electronically our Application for Equipment Authorization (Form 731) for the product Audeo Yes III. Only after the submission of the Form 731, the exhibits and the payment with Form 159 we have noticed that there is a typing error in the Product Code of the FCC ID. The submission confirmation came with FCC ID: KWCWHSSAN and we would like to have a dash in the Product Code, i.e. FCC ID: KWC-WHSSAN. All submitted exhibits are also referencing the FCC ID with a dash.

Herewith we would like kindly to ask you to amend the wrong FCC ID on the submitted Form 731 in order to issue the Certification Grant with the correct FCC ID: KWC-WHSSAN.

Thank you very much in advance for your understanding.

Kind regards,
