TO WHOM IT MAY CONCERN

Dear Sir/Madam,

In response to your request from 12/08/2011 we would like to request a change in the application type of the submitted Form 731 with confirmation number EA138548. The application is submitted for Change in Identification of modified equipment. However, due to the increase in the maximum power level, we realized that the application should be made for Original Equipment Certification. Therefore, we would like kindly to ask you to change the Application Purpose in our submitted application to "Original Equipment".

Thank you very much for your kind help.

Should you have any questions, please do not hesitate to contact us.

Sincerely,

Neviana Nikoloski
