TO WHOM IT MAY CONCERN

Dear Sir/Madam,

In response to your request from 12/08/2011 and pursuant to Paragraph §2.917(b) of 47 C.F.R. herewith we request dismissal of the Class II Permissive Change application EA906365 for FCC ID: KWCTX9. Due to the fact that any increase in maximum power or field strength ratings will always require a new FCC ID and a new equipment authorization application to the FCC, we would like kindly to ask you to proceed further with the pending applications under the new FCC ID: KWCTX14 as suggested.

Should you have any questions, please do not hesitate to contact us.

Sincerely,

Neviana Nikoloski
Phonak Communications AG
