

Invisible Technologies, INC.

The brands behind the world's best behaved animals

Invisible Fence

March 7, 2006

To Whom It May Concern:

We request under 47CFR0.459 that materials submitted to the Federal Communications Commission be withheld from public inspection.

Specifically we request that the following materials be withheld from public inspection under 47CFR0.459 because the information is considered to be confidential trade secrets and technical data, which customarily would be guarded from competitors.

- (1) Detailed circuit Schematics of EUT are found in the electronic attachments.
- (2) Operational Description
- (3) Block Diagram
