

99200- 4 TRANSISTORS MINIATURE WALKIE TALKIES

Product : 4 TRANSISTORS MINIATURE WALKIE TALKIES Model : 99200 Responsible Party: 602 Edgemoor Drive, Hopkins MN. 55305, USA. Phone : 1-800-567-1774
--

How to operate your transceiver :

1. Open the battery cover and snap in 4 x AG13 button cell batteries (included)
2. Turn the " On-Off" button to "On" position to get product in a stand-by mode.
3. Press the "Talk" button to transmit
4. Release "Talk" button to receiving
5. When transmitting, speak clearly in a normal voice, holding the set about 3 inches (7.5cm) from your mouth.
6. Best transmission and reception are obtained when the antenna is held in vertical position.

WARNING : Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Modifications not authorized by the manufacturer may void users authority to operate this device

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
- When back to voice communication again, use normal "Talk" operation.
