A plot of the bandwidth to show bandedge compliance is required by FCC. In your case, please demonstrate that the 20 dB bandwidth of the emission is contained within frequency band 26.96 - 27.28 MHz.

Ans. Please refer to attached file for the test data.

Question #1: Please provide a plot of the bandwidth to show bandedge compliance.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
