

Re: Certification for Delphi-Delco Transmitter  
Model: L2C0009T  
FCC ID: L2C0009T  
CANADA: to be provided by IC

FCC/ IC ID LABEL

The below shown label will be printed in black on a white permanent label.

Label

**GM 15008008**  
**CANADA: XXXXXXXXXXXX**  
**MODEL/FCC ID: L2C0009T**

Location

The following statement will be printed in User's Instruction Manual (Manual Exhibit)

This device complies with Part 15 of the FCC Rules and with RS-210 of Industry Canada.  
Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

**WARNING:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
