RE: Delphi Automotive Systems

FCC ID: L2C0020TR

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) Please provide the response frequency of the transponder.
- 2) The parts list provided appears to contain 2 different parts lists. Please explain.
- 3) The calculation in section 6.1 doesn't appear correct. Please verify.

Timothy R. Johnson  
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
