To Whom It May Concern

The Documents sent to **Elite Electronic Engineering Inc.** are an extension of the component outline drawing for the product. It shall specify general styling, features, functions, operation, performance, and system requirements.

In accordance with 47 C.F.R. Section 0.459, we, Delphi, hereby request confidentiality for the block diagram, schematic and product description presented for certification.

In support of the Request for Confidentiality, the following is stated: Enclosed within this application is technical information which we deem to be trade secrets and proprietary. If made public, the information might be used to our disadvantage.

To assist in assuring that we receive the full value of our product and protect its competitive posture, we respectfully request this grant of confidentiality.
