Re: Change of Identification Authorization, FCC ID: RI7GE864

To Whom It May Concern:

This letter grants authorization for representatives of Delphi Delco Electronics Systems to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules. This authorization applies to Telit Communications S.p.A. GE864-QUAD FCCID: RI7GE864. We are aware that Delphi Delco Electronics Systems intends to market the above referenced product under their own FCC ID: L2C0041TR.

Sincerely,

A handwritten signature in purple ink that reads "Ken Bednasz".
