Subject: Spot Gen4 (L2V-PT3) Class 2 Permissive Change Details

Spot LLC (Globalstar wholly-owned subsidiary) is requesting a Class 2 Permissive change for the Spot Gen4 (FCC ID: L2V-PT3). We have updated filter components to reduce harmonics. The fundamental frequency remains the same and EIRP below our current grant limitations.

If there are any questions, please don't hesitate to contact us.

Yours sincerely,

A handwritten signature in blue ink that reads "Matt Kapral".

Name: Matthew Kapral

Title: Senior Quality Engineer
